Congress Today

Senate: Expects to vote upon Wheeler exoneration and consider tax conference report.
Muscle Shoals hearings.
World court proposals considered by foreign relations committee.
Daugherty investigation.
Mayfield inquiry.
House: Considers McNary-Haugen bill.

Washington, May 23.—The compromise tax bill was formally laid before the senate today by Senator Smoot of Utah, chairman of the finance committee, and at his request a vote on it was deferred until tomorrow. A request that the vote be held over until Monday was made by Senator Willis, republican, of Ohio, who expected to be absent tomorrow, but he was persuaded to withdraw his proposition by both Smoot and democratic leader Robinson. In the colloquy over the Willis request both Smoot and Robinson said they did not believe there would be any serious opposition to approval of the new bill.

Washington, May 23.—Resignation of Secretary of the Treasury Mellon was seen as possible in congressional quarters today as a result of the determination of congress to enact the compromise bill.

Leaders of both houses declare their intention of making the bill a law. In the last 48 hours a current of sentiment for the bill has set in where before it was only assured of endorsement.

While talk of a veto by the president is still heard, based largely on the theory that the publicity provision even as modified is still extremely distasteful to him, confidence is felt by republicans that he will sign it.

If he should veto the bill it is thought that it can be passed over his veto because of the swelling enthusiasm for the measure as finally drawn by the conferees.

ROCHESTER HOLSTEIN-
FRIESIAN ASSOCIATION

(By United Press)
Rochester, Minn., May 23.—The annual summer meeting and sale of the Minnesota Holstein-Friesian association is being held here today and will end tomorrow.

A strong bid for the 1925 meeting will be made by members of the Steele county Holstein breeders' association and the Owatonna Chamber of Commerce of Owatonna, who are to attend the meeting today.

Hotel Inspector Proves
His Bureau is No Jest

St. Paul, May 23.—It doesn't pay to laugh at the state hotel and restaurant inspection bureau.

W. A. Wittbecker, chief of the bureau, received reports that proved it today from a deputy inspector who had made a trip to Walnut Grove.

A confectioner in that town paid for his license with a worthless check. Letters brought no payment and the deputy was sent. In Walnut Grove also he happened to see a "hotel" sign on a building and inquiring from the owner got the same answer: "To the devil with the state license."

Going to the county seat he got warrants for both men, and a justice of the peace fined each \$37.50—\$34 more than the license would have cost.

(By United Press)
Washington, May 23.—A cash option bonus bill was introduced in the senate today by Senator David Walsh, Massachusetts, democrat.

Walsh declared he would press for its adoption to replace the present insurance plan law.

The bill has the same provisions as the 20-year endowment insurance bill already adopted, and in addition the cash option. Under its provisions veterans would be paid in cash on the basis of \$1 per day for home service and \$1.25 per day for overseas service, with a maximum of \$500 and \$625 respectively.

Introduction of the bill was made to serve notice of the fight to be waged in the next congress on adoption of cash option substitutes.

SNOW ALONG THE
UPPER MISSISSIPPI

(By United Press)
St. Paul, Minn., May 23.—Snow fell in the upper Mississippi valley today north of the Twin Cities.

In St. Paul there was heavy mist with a few flakes of snow.

Reports from up-river towns said the snow melted as it fell. A year ago tomorrow there was a miniature blizzard over most of central Minnesota which did considerable damage to growing things.

Winter's Final Fling, Maybe

St. Paul, May 23. Winter took a final fling at the Northwest today, with snow, rain and below freezing temperatures.

The lowest temperature reported was 18 above zero at Bottineau, N. D.

A cold northeast wind blew off Lake Superior across Minnesota and the Dakotas. It brought snow all over northern Minnesota and cold rain as far south as Iowa.

Garden crops were damaged in some sections, but agricultural experts said the only field crops hurt were barley and flax, with slight damage done both in North Dakota.

TOOK ALL THEIR
SPARE CHANGE

(By United Press)
Fergus Falls, Minn., May 23. — James B. Hunt, former federal immigration inspector, was sentenced to four years in St. Cloud reformatory by Judge William A. Cant in federal court at Fergus Falls today.

As federal agent he is charged with having allowed a Canadian family, five adults and twelve children, to enter the United States. The family stopped in St. Paul, and eventually was deported back to Canada. He was allowed to plead guilty to from one to five of the counts in the indictment, which charged his with assisting aliens to enter illegally.

The Canadians said they had paid him their spare money on the plea that they would "get by."

LA FOLLETTE

TICKET HEADSTHE INDEPENDENT BI-PARTISAN
CANDIDATES ANNOUNC-
EDWISCONSIN SENATOR FOR PRESI-
DENT, WHEELER FOR VICE
PRESIDENT

(By United Press)
Washington, May 23.—Robert M. La Follette for president and Burton K. Wheeler, democrat for vice president.

That independent bi-partisan ticket will enter the field if the movement started by a group of progressive republicans and democrats is successful in persuading the Montana senator to take second place on the ticket, it was learned today from a responsible source.

The movement is being balked temporarily by the refusal of the Montana senator to accept the place picked for him, but those behind it have not abandoned hope of a final decision by Wheeler to run.

Senator La Follette has regained health, but if for any reason he decided not to make the race at the head of the ticket Wheeler has been offered the place. La Follette now is at Atlantic City, where he is recuperating from a severe attack of pneumonia.

Wheeler today refused to discuss his possible candidacy in any way, but close friends confirmed the offer made to the Montana senator by La Follette leaders. It is said he expects to wait the outcome of the democratic convention before making a final decision. Senator Shipstead farmer-laborite of Minnesota, has been mentioned as a vice-presidential running mate in event La Follette finds himself unable to enter the presidential contest and Wheeler heads the ticket.

DEMOCRATIC
PARTY CAUCUSES

(By United Press)
St. Paul, Minn., May 23.—Democratic party caucuses are being held in many precincts in Minnesota today.

County conventions will be held May 27 and the state convention of the democratic party will be held May 31 at the St. Paul auditorium.

The vote cast for former Governor James M. Cox of Ohio as the democratic candidate for president in 1920, will be taken as the basis of the apportionment of delegates.

(By United Press)
Berlin, May 23.—Introduction of the Rentenmark with consequent stabilization of currency has made for an improvement in public morals and manners. The foreigner is no longer sneered at and the practice of overcharging him has about vanished. Moreover, it's no longer possible to bribe. Public servants now are paid sufficient on which to live.

Hawaiians Watching
Peak of Mauna Loa
for Fire Goddess

Hilo, T. H., May 23.—All eyes were turned toward the snow-covered peak of Mauna Loa today with prevalence of a belief that the next demonstration of enraged Pele, the Hawaiian fire goddess may be staged there.

Kilauea, the volcano which has been in eruption for a week and which now is comparatively quiet, remained "sleeping" most of last night. But earthquakes and rumblings within the mountain continued and there is conviction everywhere that the outbreak is not over.

A lava flow from Mauna Loa is the greatest source of danger to the city of Hilo.

NATIONALIST PARTY

ON DAWES PLAN

(By United Press)
Berlin, May 23.—Leaders of the nationalist party today declined temporarily to accept the Dawes plan in toto as a basis for the party's participation in a new cabinet. Negotiations between party leaders will continue, however, until Saturday.

Berlin, May 23.—The middle parties had made the unconditional acceptance of the Dawes plan a condition for adequate participation of the nationalists in the new government.

Political observers believed the situation is such that the present cabinet with perhaps some slight alterations will continue to await its fate from the Reichstag itself.

DEGENERATES
KIDNAP AND
KILL BOY OF 14NUDE BODY OF ROBERT FRANKS,

YARDSCAPTORS FIRST SOUGHT \$10,000
RANSOM FROM RICH
FATHER

(By United Press)
Chicago, May 23.—Degenerates kidnaped and killed Robert Franks, 14, son of Jacob Franks, millionaire manufacturer and real estate man, Dr. Joseph Springer, coroner's physician, declared today after an all-night investigation to determine the cause of the death of the victim. Dr. Springer said there was ample evidence of attack.

Ransom was the primary purpose of the slayers, Lieut. Michael O'Grady, in charge of the police murder squad, stated.

Investigators Questioned
Two instructors at Harvard School a private institution attended by the boy, were questioned for several hours this morning. The two were then turned loose, but O'Grady said they would be taken into custody again by the police for further investigation.

Robert disappeared from the school grounds Wednesday evening. Late Wednesday night, while the father and friends were making a frantic search for him Mrs. Franks received a telephone call from a man who said he was "Mr. Johnson."

The man said the boy had been kidnaped and that they would learn the price of his release the next day. "We are kidnapers and we mean business," the caller said.

Threaten Death to Boy
"If you refuse us what we want and try to report us to the police we will kill the boy."

Then the caller hung up and all efforts to trace the telephone call were futile.

Franks, fearing the kidnapers would carry out their threat, hesitated to go to the police. He consulted some of his friends, who called a secret conference of police officials.

Special Delivery Letter
At 9:30 a. m. yesterday a special delivery letter arrived. It demanded \$10,000 ransom, the money to be in old bills. The letter called for \$2,000 in \$20 bills and the balance in \$50 bills.

"The money must be old," the letter said in part. "Any attempt to include new or marked bills renders the entire venture futile." The letter gave directions on how the money should be tied up, and ordered Franks to remain at home until 1 p. m. when a taxicab would call. Franks secured the money from the bank and had it ready. At three o'clock a call came. The caller said he was "Mr. Johnson."

(By United Press)
Rochester, Minn., May 23.—"The real purpose of any college is not simply to inoculate the victim and make a cold storage factory of the student's brain, but to discipline the faculties of determination and vim," Rev. William A. "Billy" Sunday said today in a message to the final gathering of Rochester Junior college.

"We are coupled together like cars in a train," he said, "and what one does pushes the other to do the same thing."

Rev. Sunday is slowly recuperating from an attack of kidney trouble and will not have to undergo an operation.

St. Paul, May 23.—Judge Kenesaw Mountain Landis, high commissioner of baseball, will be in St. Paul tomorrow to open the American Legion Poppy drive, according to Douglas K. Baldwin, commander of the Ramsey county central committee of the American Legion. The poppy drive will be from May 26 to 29.

Cab for Franks and that he was to bring the money. The cab arrived. Franks got in, but on the way to the designated place Franks forgot the address of the drug store mentioned by the caller.

Hoping for another call from the kidnapers, Franks returned home.

Nude Body Found
Earlier in the day, unknown to him, the nude body of a boy was found in the railroad yards on the southern edge of the city. A pair of spectacles was found close by. Later a stocking identified as that of the boy was found floating in a swamp. O'Grady and his squad took R. P. William of Lebanon, O., instructor of athletics at the Harvard School, and Mott Michell, English instructor, to police headquarters.

The two were questioned for several hours and then turned loose. O'Grady said the men were released for the purpose of tracing their movements.

Rooms Examined
In Williams' room O'Grady said they found four bottles of liquid poison. Williams said he used the poison in experimental work. O'Grady said he believed Robert recognized his kidnapers and they decided to kill him to prevent detection.

Dr. Springer said the bruises on the boy's head would not have caused death and was proceeding on the theory that an anaesthetic was held to his nostrils until death resulted.

Williams' Good Reputation
Lebanon, O., May 23.—R. P. Williams, instructor of athletics of Harvard School, Chicago, quizzed in connection with the Franks student murder, always has borne a good reputation here, friends asserted today. Williams for several years was physical director of Lebanon high school. He left last August to take his present position in Chicago.

THOUGHT MORONS MAY
HAVE KILLED HIM

Chicago, May 23.—One or more morons killed Robert Franks, 14-year-old son of a millionaire real estate man here, to prevent the boy telling of their attacks on him.

This was the latest theory of chief of detectives, Michael Hughes, in charge of the investigation of the school boy's murder.

The body was found crammed in a railroad culvert on the southern edge of Chicago yesterday.

(By United Press)
Springfield, Mass., May 23.—Another drive to put over "an anti-war" resolution at the Methodist general assembly was started today when a resolution was presented by Dr. Ralph W. Sockman of New York.

This resolution calls for a committee of 250, to include five bishops whose duties it would be to call a conference of religious leaders of the world on the question of world peace.

It also demands that America enter into a league of nations and court of international justice, and urges President Coolidge to call another disarmament conference. It recommends that a prayer in behalf of world peace be offered at every Methodist communion throughout the world. The resolution will be voted upon tomorrow.

Smokestack to Arrest
Worker for Desertion

Minneapolis, May 23. — Clinging to a rope ladder 300 feet above the ground, Deputy Sheriff John Kittridge, Minneapolis, yesterday set a record for places in which to read warrants, and make arrests.

He climbed the ladder to the top of the stack at the new Northern States Power Co. plant to make the arrest, and learned that the speck at the top of the stack was the man he sought. Signals failed to bring Horejes down, so Kittridge climbed.

After the reading of the warrant, Horejes consented to come down, and was taken to the Hennepin county jail.

FROM THE RIGORS OF
THE NORTH

(By United Press)
Tokio, May 23.—With mingled emotions, the American round the world fliers learned today that overhauling of their planes may force them to remain a week at Kasumigaura naval base.

Although they are eager to be on their flight, the mild climate of Japan furnishes a welcome respite from the rigors of the north and as Lieut. Lowell Smith, commander of the flight, put it—"We've had a hell of a time."

Japan's warm welcome to the Americans has been tempered only slightly by the ill-feeling toward the United States, aroused by the immigration controversy. One newspaper, for instance, declared:

"Japan will heartily welcome the fliers, despite the exclusion act of congress."

The Jiji says: "We do not hesitate to welcome warmly this unprecedented accomplishment despite the immigration crisis, and are confident that the remainder of the flight will be successful."

In view of the possibility that the fliers may remain here a week the entertainment program is being revised. Prince Kuni, president of the Imperial Aviation society, is presenting the airmen with medals of merit.

The Americans hope to reach Santa Monica, whence they started, in 95 hours flying time after they take off from Tokio to resume their flight. They hope to arrive in the United States September 1.

Lieut. Smith said that since leaving the United States he and his companions have covered 8,918 miles in 924 hours, 43 minutes flying time.

"It is 69 days, including the gain of one day because of the change in time, since we left Santa Monica," he said. The flight southward from Hitokappu to Kasumigaura was made under unfavorable circumstances at the start, the commander disclosed.

"We received a bad weather signal after we started," the flight commander said, and "for two hours we flew in the midst of fog, but after that the weather cleared and was excellent the rest of the way."

The Americans are housed here with Japanese flying officers. Upon arrival they were conducted to a tent and regaled with cuttlefish, chestnuts and sako, which, according to their hosts, signified victory.

Lebanon, O., May 23.—R. P. Williams, instructor of athletics of Harvard School, Chicago, quizzed in connection with the Franks student murder, always has borne a good reputation here, friends asserted today. Williams for several years was physical director of Lebanon high school. He left last August to take his present position in Chicago.

THOUGHT MORONS MAY HAVE KILLED HIM

Chicago, May 23.—One or more morons killed Robert Franks, 14-year-old son of a millionaire real estate man here, to prevent the boy telling of their attacks on him.

This was the latest theory of chief of detectives, Michael Hughes, in charge of the investigation of the school boy's murder.

The body was found crammed in a railroad culvert on the southern edge of Chicago yesterday.

DRIVE TO PUT ON AN ANTI-WAR RESOLUTION

INTRODUCED AT THE METHODIST GENERAL ASSEMBLY

CALLS FOR A COMMITTEE OF 250 TO FUNCTION

(By United Press)

Springfield, Mass., May 23.—Another drive to put over "an anti-war" resolution at the Methodist general assembly was started today when a resolution was presented by Dr. Ralph W. Sockman of New York.

This resolution calls for a committee of 250, to include five bishops whose duties it would be to call a conference of religious leaders of the world on the question of world peace.

It also demands that America enter into a league of nations and court of international justice, and urges President Coolidge to call another disarmament conference. It recommends that a prayer in behalf of world peace be offered at every Methodist communion throughout the world. The resolution will be voted upon tomorrow.

NEW YORK CENTRAL DOMINATION IS THREATENED BY SUIT

(By United Press)

Cleveland, O., May 23.—Dissolution of the dominion of the New York Central railway over the Big Four, Michigan Central and all subsidiary lines, covering half the United States, was asked in a suit filed in Federal court here today. The suit was filed by local stockholders in the Big Four railway. It charged the combination is a violation of the Sherman Anti-Trust act and also unconstitutional, asking that a receiver be named to take charge of the holdings of the New York Central and Big Four.

CONVICTED MURDERER IS GIVEN A REPRIEVE

(By United Press)

Lincoln, Neb., May 23.—Walter Ray Simmons, convicted murderer under death sentence at the penitentiary here, today started on the first of 19 days of extra life.

A reprieve was granted late yesterday dating his execution ahead from today until June 10. Governor Charles W. Bryan signed the stay of execution to hear new evidence in the case to come before the state pardon board.

Deputy Climbs 300-Foot Smokestack to Arrest Worker for Desertion

Minneapolis, May 23.—Clinging to a rope ladder 300 feet above the ground, Deputy Sheriff John Kittredge, Minneapolis, yesterday set a record for places in which to read warrants, and make arrests.

He climbed the ladder to the top of the stack at the new Northern States Power Co. plant to make the arrest, and learned that the speck at the top of the stack was the man he sought. Signals failed to bring Horejes down, so Kittredge climbed.

After the reading of the warrant, Horejes consented to come down, and was taken to the Hennepin county jail.

MAY REMAIN WEEK AT NAVAL BASE OF JAPAN

IMPERIAL AVIATION SOCIETY PRESENTS AIRMEN MEDALS OF MERIT

JAPAN GIVES WELCOME RESPITE FROM THE RIGORS OF THE NORTH

(By United Press)

Tokio, May 23.—With mingled emotions, the American round the world fliers learned today that overhauling of their planes may force them to remain a week at Kasumigaura naval base.

Although they are eager to be on their flight, the mild climate of Japan furnishes a welcome respite from the rigors of the north and as Lieut. Lowell Smith, commander of the flight, put it—"We've had a hell of a time."

Japan's warm welcome to the Americans has been tempered only slightly by the ill-feeling toward the United States, aroused by the immigration controversy. One newspaper, for instance, declared: "Japan will heartily welcome the fliers, despite the exclusion act of congress."

The Jiji says: "We do not hesitate to welcome warmly this unprecedented accomplishment despite the immigration crisis, and are confident that the remainder of the flight will be successful."

In view of the possibility that the fliers may remain here a week the entertainment program is being revised. Prince Kuni, president of the Imperial Aviation society, is presenting the airmen with medals of merit.

The Americans hope to reach Santa Monica, whence they started, in 95 hours flying time after they take off from Tokio to resume their flight. They hope to arrive in the United States September 1.

Lieut. Smith said that since leaving the United States he and his companions have covered 8,918 miles in 924 hours, 43 minutes flying time.

"It is 69 days, including the gain of one day because of the change in time, since we left Santa Monica," he said. The flight southward from Hitokappu to Kasumigaura was made under unfavorable circumstances at the start, the commander disclosed.

"We received a bad weather signal after we started," the flight commander said, and "for two hours we flew in the midst of fog, but after that the weather cleared and was excellent the rest of the way."

The Americans are housed here with Japanese flying officers. Upon arrival they were conducted to a tent and regaled with cuttlefish, chestnuts and sako, which, according to their hosts, signified victory.

ASSOCIATION FOR HIGHWAY UPKEEP

(By United Press)

Grand Forks, N. D., May 23.—Representatives of the six counties in the eastern section of the state traversed by the Meridian road are meeting here today to form a state association for the upkeep of the highway.

Bricklayer a Tenor

(By United Press)

London, May 23.—Poor old Uncle Sam has been blamed ever since the war for luring away John Bull's house-building specialists. The complaint went on unmitigated until the other day, when one of the "lost" bricklayers was found to be a member of a prominent English operatic company. He is Reginald Sewell, a Hull tenor, who studied music in his spare time and finally dived trowel and mortar in favor of grand opera. He appears in the chorus.

HERE'S HOW TO FIGURE BONUS

A STATEMENT TO ENABLE WAR VETERANS TO DETERMINE AMOUNT OF BONUS

Washington, May 23.—The following statement will enable war veterans to determine what they are entitled to under the new insurance bonus law:

Adjusted compensation is figured

on the basis of \$1 a day for home service and \$1.25 a day for overseas service. The first 60 days of service cannot be counted and a maximum of 500 days is the limit. If less than \$50 is due it is paid in cash.

The value of the 20-year endowment insurance policies to be issued to others is arrived at by computing the basic compensation according to the above figures, then multiplying it by an arbitrary figure according to the veteran's age and increasing the total so arrived at by 25 per cent.

Arbitrary Figures

The arbitrary figures for ages from 20 to 59 follow:

Age	Figure	Age	Figure
20	2.545	40	2.470
21	2.544	41	2.460
22	2.542	42	2.450
23	2.540	43	2.439
24	2.539	44	2.426
25	2.537	45	2.413
26	2.535	46	2.398
27	2.532	47	2.381
28	2.530	48	2.364
29	2.527	49	2.345
30	2.524	50	2.324
31	2.521	51	2.302
32	2.517	52	2.279
33	2.513	53	2.254
34	2.509	54	2.228
35	2.504	55	2.201
36	2.498	56	2.172
37	2.492	57	2.143
38	2.485	58	2.113
39	2.478	59	2.082

How to Compute

For example, a veteran of 25 with one year's home service, would compute his service as 305 days at \$1. Multiplying \$305 by 2.537, the arbitrary figure for his age, would give \$773.78. This increased by 25 per cent would give \$967.23 the face value of his insurance policy.

Application for the bonus may be made up to Jan. 1, 1928. Cash payments will be made after March 1, 1925.

Insurance policies will be issued as fast as the data can be compiled. Loans may be made up to 90 per cent of the current value of the policies after two years from the date of insurance. The policies increase in value steadily from date of issuance until their maturity after 20 years, when the full value of the policy is payable.

Women Eligible

Service between April 15, 1917, and July 1, 1919, may be counted in computing the adjusted service credit, but enlistment must have been made before Nov. 11, 1918.

Women who served in enlisted personnel of the navy and marine corps and officers up to the rank of captain in the army and marine corps and lieutenant in the navy are eligible to the bonus.

The public printer will begin work on preparation of application blanks at once.

Paving Brick

Fifty-nine varieties of vitrified paving brick have been eliminated, and the styles and sizes reduced from 96 to 7.

HERE'S HOW TO
FIGURE BONUSA STATEMENT TO ENABLE WAR
VETERANS TO DETERMINE
AMOUNT OF BONUS

Washington, May 23.—The following statement will enable war veterans to determine what they are entitled to under the new insurance bonus law:
Adjusted compensation is figured

on the basis of \$1 a day for home service and \$1.25 a day for overseas service. The first 60 days of service cannot be counted and a maximum of 500 days is the limit. If less than \$50 is due it is paid in cash.

The value of the 20-year endowment insurance policies to be issued to others is arrived at by computing the basic compensation according to the above figures, then multiplying it by an arbitrary figure according to the veteran's age and increasing the total so arrived at by 25 per cent.

Arbitrary Figures

The arbitrary figures for ages from 20 to 59 follow:

Age	Figure	Age	Figure
20	2.545	40	2.470
21	2.544	41	2.460
22	2.542	42	2.450
23	2.540	43	2.439
24	2.539	44	2.426
25	2.537	45	2.413
26	2.535	46	2.398
27	2.532	47	2.381
28	2.530	48	2.364
29	2.527	49	2.345
30	2.524	50	2.324
31	2.521	51	2.302
32	2.517	52	2.279
33	2.513	53	2.254
34	2.509	54	2.228
35	2.504	55	2.201
36	2.498	56	2.172
37	2.492	57	2.143
38	2.485	58	2.113
39	2.478	59	2.082

How to Compute

For example, a veteran of 25 with one year's home service, would compute his service as 305 days at \$1. Multiplying \$305 by 2.537, the arbitrary figure for his age, would give \$773.78. This increased by 25 per cent would give \$967.23 the face value of his insurance policy.

Application for the bonus may be made up to Jan. 1, 1928. Cash payments will be made after March 1, 1925.

Insurance policies will be issued as fast as the data can be compiled. Loans may be made up to 90 per cent of the current value of the policies after two years from the date of insurance. The policies increase in value steadily from date of issuance until their maturity after 20 years, when the full value of the policy is payable.

Women Eligible

Service between April 15, 1917, and July 1, 1918, may be counted in computing the adjusted service credit, but enlistment must have been made before Nov. 11, 1918.

Women who served in enlisted personnel of the navy and marine corps and officers up to the rank of captain in the army and marine corps and lieutenant in the navy are eligible to the bonus.

The public printer will begin work on preparation of application blanks at once.

Paving Brick

Fifty-nine varieties of vitrified paving brick have been eliminated, and the styles and sizes reduced from 98 to 7.

BOY SCOUTS IN RODEO SATURDAY

Troops of Crow Wing County Council to Stage Festivity in Gregory Park

12 EVENTS IN SCOUTCRAFT

Troops From Deerwood, Crosby, Ironton, Pequot and Brainerd Represented

The first annual "Rodeo" to determine the championship patrol among the scout troops of the Crow Wing county council will be held in Gregory park at 2 o'clock tomorrow. The "Rodeo" will consist of 12 events in Scoutcraft as taught to the Boy Scouts under the local organization, and there will be six patrols from different parts of the county compete for first, second and third place in each of the events.

Starting on April 1st all troops in the county started to try out their members to see who could do this and that the best, and after a patrol of eight was selected to represent the troop an elimination was held on May 3rd to see which troops would enter the "Rodeo" on May 24th.

The troops selected to send their patrols into the "Rodeo" were Deerwood No. 1, Crosby No. 2, Ironton No. 1, Pequot No. 1 and Brainerd No. 2 and 5, and these six will send their best scouts into the events tomorrow.

The events to be contested will be as follows: Rope relay race, fire by friction, semaphore signaling, Sherlock Holmes observation contest, clarion call, first aid pantomime, John Silver treasure hunt, pup tent race, Patrick Henry contest, scout pace, javelin throw and assembly and inspection.

Judges of the events will be Scout Commissioner Robert Duerr, A. A. Gieriet and Louis Knudsen, while Scout Executive E. W. Stimble will announce the events and have charge of the program. The public is invited to come out and watch 48 Boy Scouts in action and root for their favorites. Following the "Rodeo" a Boston bean feed will be served at 5:30 P. M. in the Congregational church to which all members of the Campers Savings Club—who have been saving their money to go to camp—and last year's campers, with the members of the "Rodeo" teams, will be invited.

At 7 P. M. the members of the

"Rodeo" teams will be entertained at the Lyceum theatre by Manager W. R. Hiller.

IN MUNICIPAL COURT

Nick Paun Arraigned on Charge of Manufacturing Liquor, Held to District Court

In municipal court Friday morning Nick Paun was arraigned on a charge of manufacturing intoxicating liquor. He waived examination and was held over to the district court, bonds being set at \$500. He will be tried in district court on Saturday.

James Alfred Thompson plead guilty to conducting a public dance without the necessary license, and was fined \$1 and costs amounting to \$2.

The fine was made light at the request of the county attorney, and is in the nature of a notice to the public that the proper permit must be obtained before a public dance can be given.

Thompson conducted the dance, for which he was arraigned, in the country last week.

BOYS' BAND AT STATE FAIR

Through Efforts of Sec'y. I. C. Strout, Secretary Lions Club, May Get Engagement

BOARD CONSIDERS OFFER

Bemidji Boys' Band Has Played at Fair With Much Success in Past

Through the efforts of I. C. Strout, secretary of the local Lions club, it is possible that the Brainerd Boys' band may be included on the program of the Minnesota State Fair, according to Hugo Pfrock, director of the band.

The board of directors of the state fair will meet next week, it is said, at which time the exposition program will be taken up and the matter of featuring the Brainerd band considered.

In past years it has been the custom of having juvenile bands on the fair program, the Bemidji organization playing there for several seasons.

Profit to the Buyer

It Is Bound Up in the Finer Quality of Hupmobile Parts

Hupmobile could not use materials less fine—and still be Hupmobile.

For the very heart and soul of Hupmobile success is the way it stands up—year after year—at astonishing low cost.

Let it try to cheapen any of its finely built parts and it would at once lose that superiority. It would lose many of the elements which now enable it to give such widespread and complete owner-satisfaction. So in the end, it would not profit the buyer.

The motor car question, as we see it, comes down to this.

The buyer can pay the Hupmobile price, safe in the assurance that a higher price cannot bring him anything higher than the Hupmobile in honest quality.

Or, he can pay less than the Hupmobile price, and content himself with less than Hupmobile quality and less than Hupmobile satisfaction.

It will cost you nothing but the time you put in, to come in and see Hupmobile quality with your own eyes, as shown by our Parts Display. And it is almost certain to save you money on the next car you buy.

MERCHANT MARINE PROBLEM

OUR merchant marine problem, as it confronts us, has been aptly presented by Commissioner B. E. Haney of the Shipping Board, when he said in a recent address that "it is idle to talk about defects of government operation in principle, because, as matters now stand, we will have government operation or no operation at all."

Our merchant marine carries an adverse differential, not only in original cost of construction but in operation, as compared with our foreign competitors. Congress has repeatedly refused governmental aid in the form of a subsidy to equalize this differential, said Mr. Haney.

Direct aid has failed and so indirect aid must be resorted to. The Merchant Marine act of 1920 provides for three classes of indirect aid, an extension of the coastwise laws to the Philippine Islands, which would give American flag ships a protected trade large in volume; the imposition of tonnage and port duties which would give a preference to American tonnage in the carriage of imports; the application of a section of the Marine Act, now being an aid by preferential rail tariffs on goods shipped in American bottoms.

Although authorized, none of these aids have been made effective. Private American citizens cannot compete with foreign shipping, and so the only way for the government to keep the American flag afloat on the seas, is to continue with its shipping board.

And what does our shipping board face? Foreign merchant marines getting all kinds of government aid ranging from subsidies to manipulation of tariffs, restriction of ports open to free entry, or an active preferential support as the latter is extended the British merchant marine by British shippers, both as to rates and facilities.

Our foreign trade is affected, according to this closing statement made by Mr. Haney, who asserts that "if our commerce is to be carried entirely by our foreign business competitors, the sale of our goods in foreign markets will be as it was for several decades before the war—at the mercy of those competitors, for they will always be able through their influence upon their own shipping interests to deliver their own cargoes in competitive markets at a sufficiently low rate to enable the foreign producer to undersell the American. The cost of an adequate American merchant marine will be infinitesimal as compared with the losses in foreign sales that will result to these same American producers from a foreign-controlled merchant marine." With the same aid and support for American ships that is accorded the ships of other nations, said Mr. Haney, an American merchant marine will be possible. But without it, we fail.

Any one who studies the situation fairly and impartially will come to the conclusion that transportation of goods to proper markets is an important chain in the marketing of goods and the extension of our industries. Such an extension cannot be a free one when others hold the carriage of the sea, the carrying rate, and other vital things connected with shipping, in their hands. So never make the mistake of comparing our shipping board results with those of maritime nations who directly and indirectly do everything possible to aid such industry.

SEEKS TO PROVE IDENTITY

MANY comedies have been built on mixups in identities, but with Arthur Frazier, Indian war veteran, the matter is a serious one. The War Department, according to its records, and you know what a standing such records have, claims Frazier was killed in battle, buried in France, exhumed and buried down in Niobrara, Kansas.

The present Frazier was a patient under Twin Cities headquarters of the veterans bureau for a time, had been suffering from shell shock and has been trying to convince the government that he is Frazier. Because of discrepancies in finger-prints and measurements, the government refused to believe it, maintaining the real Frazier is buried in Nebraska.

So Frazier sat on the bank as "his" body was exhumed. It is reported that examination of the Niobrara body brought nothing definite enough for a final decision. One has heard of the plight of a man without a country, but that of Frazier's is certainly much more complicated, watching "his" own grave opened to prove "his" identity.

ANOTHER STEP IN WOMAN'S EMANCIPATION

ANOTHER step has been recorded in the emancipation of woman. It didn't occur at any ladies aid meeting or club women convention, but in the dingy court room of a municipal judge in Chicago.

The facts of the case appear to be that Mrs. Jacob Silverman had her hair bobbed without consulting her husband about the proposed hair cut. When he came home from work in the evening and saw her altered appearance, he could not restrain himself, so it appears, and he slapped her face.

Mrs. Silverman not only resented being slapped, but took issue with her husband interfering in ladies' hair styles, and cited Mr. Silverman into court. Judge Burke heard all the evidence, looked through all the lawbooks to see what the section on domestic relations had to say about haircuts and then decided that a husband has no control over the style of his wife's haircut, and to prevent any further interference on the part of Mr. Silverman, for Mrs. Silverman may get her hair shingled next time, the aforesaid husband was put under a peace bond.

CONSTRUCTIVE work in congress would seem to consist largely in the construction of a deficit, says the Boston Transcript.

THE democratic ideal, says the Omaha Bee, seems to be a deficit.

MERCHANT MARINE PROBLEM

OUR merchant marine problem, as it confronts us, has been aptly presented by Commissioner B. E. Haney of the Shipping Board, when he said in a recent address that "it is idle to talk about defects of government operation in principle, because, as matters now stand, we will have government operation or no operation at all."

Our merchant marine carries an adverse differential, not only in original cost of construction but in operation, as compared with our foreign competitors. Congress has repeatedly refused governmental aid in the form of a subsidy to equalize this differential, said Mr. Haney.

Direct aid has failed and so indirect aid must be resorted to. The Merchant Marine act of 1920 provides for three classes of indirect aid, an extension of the coastwise laws to the Philippine Islands, which would give American flag ships a protected trade large in volume; the imposition of tonnage and port duties which would give a preference to American tonnage in the carriage of imports; the application of a section of the Marine Act, now being an aid by preferential rail tariffs on goods shipped in American bottoms.

Although authorized, none of these aids have been made effective. Private American citizens cannot compete with foreign shipping, and so the only way for the government to keep the American flag afloat on the seas, is to continue with its shipping board.

And what does our shipping board face? Foreign merchant marines getting all kinds of government aid ranging from subsidies to manipulation of tariffs, restriction of ports open to free entry, or an active preferential support as the latter is extended the British merchant marine by British shippers, both as to rates and facilities.

Our foreign trade is affected, according to this closing statement made by Mr. Haney, who asserts that "if our commerce is to be carried entirely by our foreign business competitors, the sale of our goods in foreign markets will be as it was for several decades before the war—at the mercy of those competitors, for they will always be able through their influence upon their own shipping interests to deliver their own cargoes in competitive markets at a sufficiently low rate to enable the foreign producer to undersell the American. The cost of an adequate American merchant marine will be infinitesimal as compared with the losses in foreign sales that will result to these same American producers from a foreign-controlled merchant marine." With the same aid and support for American ships that is accorded the ships of other nations, said Mr. Haney, an American merchant marine will be possible. But without it, we fail.

Any one who studies the situation fairly and impartially will come to the conclusion that transportation of goods to proper markets is an important chain in the marketing of goods and the extension of our industries. Such an extension cannot be a free one when others hold the carriage of the sea, the carrying rate, and other vital things connected with shipping, in their hands. So never make the mistake of comparing our shipping board results with those of maritime nations who directly and indirectly do everything possible to aid such industry.

SEEKS TO PROVE IDENTITY

MANY comedies have been built on mixups in identities, but with Arthur Frazier, Indian war veteran, the matter is a serious one. The War Department, according to its records, and you know what a standing such records have, claims Frazier was killed in battle, buried in France, exhumed and buried down in Niobrara, Kansas.

The present Frazier was a patient under Twin Cities headquarters of the veterans bureau for a time, had been suffering from shell shock and has been trying to convince the government that he is Frazier. Because of discrepancies in finger-prints and measurements, the government refused to believe it, maintaining the real Frazier is buried in Nebraska.

TAXI DRIVER IS NEAR DEATH

**Gets Two Gunshot Wounds in Battle
With Alleged Rum
Runners**

IN VICINITY OF BEMIDJI

**Believed Party May Have Mistaken
Driver For Officer on Their
Tracks**

Charles Runyon, Bemidji taxi driver, is in a very serious condition and not expected to live as the result of two gunshot wounds received Thursday night in a battle with three or four men some six miles in the country from Bemidji.

As told by a man who came from the Bemidji hospital Friday morning, Runyon received a taxi call to go into the country for a fare. When

out about six miles he came upon an automobile that was apparently in trouble. He stopped his car and went to the assistance of the other. When within a short distance of the other car, the occupants are said to have opened fire upon him, which he returned, with the result that it is thought he shot one of his assailants. It is stated that Runyon received two wounds from a shotgun, one in his lungs, the other in his arm.

The men in the other car escaped, leaving their victim, who managed to get to a farm house a quarter of a mile distant for aid. He was hurried to the hospital at Bemidji where everything is being done for his relief. The only clue that the officers have is a hat that the men left when they escaped.

Two motives for the shooting are advanced. One that the call was a fictitious one from holdup men, who did not plan on the fact that Runyon would be armed. The other supposition is that the men were rum-runners and mistook the taxi driver for

an officer who might have been on their tracks.

UNITED PRESS STORY ON SHOOTING

Bemidji, Minn., May 23.—Attack by a bandit who lured him to the country on a fake call, Charles Runyon, 27, owner of a taxicab line here, was perhaps fatally wounded in a gun battle early today.

Five miles north of town Runyon was stopped by a man whose car was apparently stalled at the roadside.

He went to his assistance, and suddenly faced a revolver.

A deputy sheriff himself, Runyon reached for his gun and a battle ensued in which Runyon was shot in the right lung and left forearm. He fired five shots at his attacker and believes he seriously wounded the man.

Runyon walked to the nearest farm house and called police. When they arrived the bandit and his car had disappeared. Sheriff J. R. Johnson and deputies combed the countryside but found no trace of the

man. Attendants at Lutheran hospital said Runyon is near death.

ELKS SESSION HELD ON RANGE

Class Initiated, Followed by Social Hour, Luncheon and Home Vaudeville

DE WALDO IN SPECIAL ACT

Range Committee Functioned in Splendid Manner, New Applications Brought in

Thursday evening Brainerd Lodge No. 615 of the B. P. O. Elks held its postponed session on the range, meeting in the Ironton village hall, after due dispensation had been secured from Grand Exalted Ruler J. G. Mac-

Farland. The attendance was a large one in spite of the rainy evening and ran about 50-50 range and Brainerd.

In the absence of some of the regular officers, Past Exalted Rulers officiated and the initiatory ceremony was made an imposing one. After the business session came the social evening, leading off with DeWaldo of Crosby in a slack wire performance, trick bicycle riding, contortion

work, etc., all drawing the most hearty applause.

A. C. Mraz and John Holvick led in community singing. E. H. Buhlman of Superior, Wis., superintendent of the Lake Superior division of the Soo line and a member of Cornell lodge N. Y., delivered an impressive address on the tenets of Elksdom.

Hon. E. P. Scallon spoke on the Elks' happy faculty of getting range. Brainerd and the whole county united in a grand order seeking the advancement of American citizenship. He complimented Brainerd lodge on its progressive movement and also referred to the unique presentation of vaudeictorian medals inaugurated last year and continued, the beneficiaries being the five accredited high schools, Brainerd, Crosby-Ironton,

Staples, Pine River and Atkin, in Brainerd lodge jurisdiction.

Col. C. D. Johnson gave one of his inimitable addresses and drew heartiest applause.

John Holvick gave a summary of funny stories with a laugh-provoking Scandinavian dialect.

Then followed two exhibitions of boxing. Bert Clark and Lloyd Johnson of Crosby gave a nice exhibition, and Sam Greer and Henry Nyquist of Brainerd was also an interesting one.

Walter Folsom, pianist of the lodge, officiated in the degree work as well as the program.

Range members, which included E. G. Hunter with a dozen applications to his credit, were given a vote of thanks for the membership campaign they had started. The entire range

committee, with J. P. Anderson as chairman, functioned ably and well and their activities took in providing the hall, accommodations, luncheon, program, etc.

Widow of F. W. Woolworth Died in Long Island Home

The funeral of Mrs. F. W. Woolworth, widow of the founder of the five and ten cent chain stores that bear his name, was held from the family home, Glen Cove, Long Island, this afternoon.

Mrs. Woolworth passed away at five o'clock Wednesday morning at her home. She had been an invalid for many years. She is survived by two daughters. Her husband died

some four years ago, leaving a large interest in the corporation owning the chain stores. Because of ill health, she had taken no active interest in the business since her husband's death.

He laughed at Kellogg's Bran!

Now read this letter of thanks from Mr. Kane. It speaks for itself. Remember, it is because Kellogg's Bran is ALL bran that it was so effective in his case—just as it has been in thousands of others. Only ALL bran can produce 100 per cent results.

My dear friend:
Imagine a young man weighing 165 pounds in the course of a few months parked in bed, a weakling weighing 94 pounds. An elderly lady whom I knew since I was a kid paid me what she thought was a last visit. Upon being told of my plight she immediately mentioned your product for such an ailment. Maybe some of us didn't look upon her views very lightly . . . it was to laugh!

My dear friend, I am still laughing . . . not at your product, but because I am able to. I am telling you and the world at large, "Eat Kellogg's Krumbled Bran!" It should be called "Constipation's worst enemy." I owe you my heartfelt gratitude. I can talk, and whenever the opportunity presents itself, my mouth is always full of bran—Kellogg's Krumbled. Wishing you countless days of progress, I am

work, etc., all drawing the most hearty applause.

A. C. Mraz and John Holvick led in community singing. E. H. Buhlman of Superior, Wis., superintendent of the Lake Superior division of the Soo line and a member of Cornell lodge N. Y., delivered an impressive address on the tenets of Elkdom.

Hon. E. P. Scallon spoke on the Elks' happy faculty of getting range. Brainerd and the whole county united in a grand order seeking the advancement of American citizenship. He complimented Brainerd lodge on its progressive movement and also referred to the unique presentation of valedictorian medals inaugurated last year and continued, the beneficiaries being the five accredited high schools, Brainerd, Crosby-Ironton,

Staples, Pine River and Aitkin, in Brainerd lodge jurisdiction.

Col. C. D. Johnson gave one of his inimitable addresses and drew heartiest applause.

John Holvick gave a summary of funny stories with a laugh-provoking Scandinavian dialect.

Then followed two exhibitions of boxing. Bert Clark and Lloyd Johnson of Crosby gave a nice exhibition, and Sam Greer and Henry Nyquist of Brainerd was also an interesting one.

Walter Felsom, pianist of the lodge, officiated in the degree work as well as the program.

Range members, which included E. G. Hunter with a dozen applications to his credit, were given a vote of thanks for the membership campaign they had started. The entire range

committee, with J. P. Anderson as chairman, functioned ably and well and their activities took in providing the hall, accommodations, luncheon, program, etc.

Widow of F. W. Woolworth

Died in Long Island Home

The funeral of Mrs. F. W. Woolworth, widow of the founder of the five and ten cent chain stores that bear his name, was held from the family home, Glencove, Long Island, this afternoon.

Mrs. Woolworth passed away at five o'clock Wednesday morning at her home. She had been an invalid for many years. She is survived by two daughters. Her husband died

some four years ago, leaving a large interest in the corporation owning the chain stores. Because of ill health, she had taken no active interest in the business since her husband's death.

THE MOTHERS AND DAUGHTER BANQUET

Second Annual Affair of Its Kind By Campfire Girls at Methodist Church

GIRLS PREPARED DINNER

Centerpiece Was a Miniature Campfire Scene, Depicted With Great Fidelity

The second annual mothers and daughters banquet of the Campfire Girls was held at the Methodist church on Thursday evening.

The banquet was prepared by the girls themselves. The tables were very cleverly decorated with rose and grey, the official colors, with a miniature campfire scene as a centerpiece. This centerpiece faithfully depicted to the most minute detail a camp scene, even to a small lake, a canoe and a camp fire, with campfire maidens seated about it. It was so unusual as to cause many favorable comments.

The place cards were very original, carrying out the campfire idea most beautifully by the use of the Tatopochin campfire symbol.

Miss Margaret Fletcher, executive secretary of the Minneapolis Campfire Girls, made the principal address of the evening, during the program which followed the banquet. Miss Fletcher told of the recent National convention of Campfire Girls in Kansas City, Mo., where three thousand members of the organization met. One of the main features of this conference was a grand council fire, in which all of the girls took part, dressed in their ceremonial gowns.

Miss Fletcher told of the plans of those interested in Campfire work in Minneapolis. A permanent camp site may be purchased for the girls in the city which would later be opened to the girls of the state.

The complete program at the banquet was as follows:

Violin Solo—Emma Jean Clarkson, accompanied by Helen Lammon.

Welcome to the mothers—Myrtis Mayo.

Reply in behalf of the mothers—Mrs. G. E. Lammon.

Boating song—Campfire Quartet.

Introduction of the speaker—Miss Fletcher, Bernice White.

The local camp is composed of nineteen members and has presented a very active organization for the past four years. Two groups of Blue Birds composed of girls from eight to eleven years, are being led by Campfire Girls, and prepared for reception into the association as soon as their age permits.

Dorcas Society

The Dorcas society of the Swedish Bethany church will be entertained this Friday evening at the church. A good program has been prepared. All members are urged to be present and visitors are welcome.

DISTRICT COURT PROCEEDINGS

Jury Cases Completed and Court Adjourned on Friday Afternoon

ADJOURNED TERM PROBABLE

Several Cases to be Disposed of Which Court Will Hear Without Jury

The jury cases were completed and district court adjourned on Friday afternoon. Judge C. W. Stanton dismissing the jurors at two o'clock. There are several cases to be disposed of, which will be heard by the court later without a jury.

It is expected that there will be an adjourned term during the month of July, at which Judge W. S. McClenahan will preside. Judge Stanton goes to Grand Rapids and then to Alitka where terms are scheduled. Judge McClenahan is expected home tonight from International Falls, where he has been holding court.

The last case on the local court calendar was that of Jake J. Storz against the Farmers Shipping Co., et al, involving \$2,000 and accrued interest. Usury is offered as a defense.

The jurors in this case are Mrs. Isabel Thayer, Mrs. Bert Conliff, Gust Olander, Sr., Albert Jacobson, Chas. Long, Mrs. F. M. Kelly, Mrs. N. Kauffman, Mrs. A. C. Weber, Louis Stirewalt, Mrs. F. A. Knights, Oscar Peterson and P. W. Evans. The jury was charged by the court and retired at 1:45 Friday afternoon. A verdict had not been reached as this paper went to press.

In the case of James Soules against Roy Wicklund, the jury found for the plaintiff, assessing his damages in the sum of ten dollars. G. F. Mitchell was foreman of the jury.

The case of the state against T. E. Jones, an appeal from the municipal court, will be heard by the court later without a jury.

FILINGS FOR COUNTY OFFICE

George Syreen, of Crosby, has filed for the nomination for county commissioner from the Fifth district. There are two filings for this office, Edward Krueger of Crosby being the other aspirant.

"When Their Missionary Came"

A play "When Their Missionary Came," will be given by the C. E. society of the Peoples Congregational church, in the church this evening at eight o'clock. A small admission fee will be charged.

Memorial Services

All members of the G. A. R. and other comrades, the ladies of the G. A. R. and the W. R. C., are requested to meet at the Odd Fellows hall on Sunday, May 26th, at 10:30 o'clock sharp, for the purpose of attending memorial services at the First Baptist church.

EASTER MUSIC PLEASING

Program of First Congregational Church, in Part, to be Repeated

The Easter music at the First Congregational church drew forth so much favorable comment and there have been so many requests that it be repeated, that the same artists have prepared a whole evening's program in which some of the Easter numbers will be again produced with many new features added, on Thursday evening, May 29th, in the church auditorium.

This program will consist of solo numbers on the violin, pipe organ and piano respectively, and ensemble numbers using all three instruments. A double trio of ladies voices will be an added attraction.

For Brainerd music lovers, the following names will be sufficient guarantee of the high character of the evening's entertainment: Mrs. W. A. M. Johnstone, Miss Alice Johnstone, Miss Elsie Johnstone, Mrs. Louis Knudsen and Miss Carol Dean.

In order that there will be no conflict with the various church meetings on that night, the program will

not begin until 8:30 o'clock. Brainerd people are asked to keep in mind the date, and to make a special effort to attend this May concert.

"Leatherstocking" at Lyceum Tonight
"The War-Path," the first episode of the new Patheserial, "Leatherstocking," featuring Harold Miller and Edna Murphy, will be shown at the Lyceum Theatre, introducing to its patrons a serial said to be riotous with thrills and throbbing with realism.

This picture will be shown at the Lyceum tonight and Saturday.

STUDENTS' MOCK CONVENTION

PRES. COOLIDGE CHOSEN AS THE PRESIDENTIAL CANDIDATE AT THE "U"

Minneapolis, May 23.—After long and stormy debate in which the two-thirds majority rule was suspended, President Coolidge was chosen as presidential candidate by the University of Minnesota student body in a

mock political convention last night. Four hours of uproar ended when President Coolidge received 416 votes—five more than a majority—on the fourth ballot.

United States Senator Robert M. LaFollette was second, and Senator Burton K. Wheeler, Montana, third. The convention, which started with 1100 students, showed little excitement over the adoption of a platform recommending a no-bonus policy, rigid enforcement of the 18th amendment, entry of the United States into a league of nations and passage of the McNary-Haugen farm relief bill.

EASTER MUSIC PLEASING

Program of First Congregational Church, in Part, to be Repeated

The Easter music at the First Congregational church drew forth so much favorable comment and there have been so many requests that it be repeated, that the same artists have prepared a whole evening's program in which some of the Easter numbers will be again produced with many new features added, on Thursday evening, May 29th, in the church auditorium.

This program will consist of solo numbers on the violin, pipe organ and piano respectively, and ensemble numbers using all three instruments. A double trio of ladies voices will be an added attraction.

For Brainerd music lovers, the following names will be sufficient guarantee of the high character of the evening's entertainment: Mrs. W. A. M. Johnstone, Miss Alice Johnstone, Miss Elizabeth Johnstone, Mrs. Louis Knudsen and Miss Carol Dean.

In order that there will be no conflict with the various church meetings on that night, the program will

not begin until 8:30 o'clock. Brainerd people are asked to keep in mind the date, and to make a special effort to attend this May concert.

"Leatherstocking" at Lyceum Tonight

"The War-Path," the first episode of the new Patheserial, "Leatherstocking," featuring Harold Miller and Edna Murphy, will be shown at the Lyceum Theatre, introducing to its patrons a serial said to be riotous with thrills and throbbing with realism.

This picture will be shown at the Lyceum tonight and Saturday.

STUDENTS' MOCK CONVENTION

PRES. COOLIDGE CHOSEN AS THE PRESIDENTIAL CANDIDATE AT THE "U"

Minneapolis, May 23.—After long and stormy debate in which the two-thirds majority rule was suspended, President Coolidge was chosen as presidential candidate by the University of Minnesota student body in a

mock political convention last night.

Four hours of uproar ended when President Coolidge received 416 votes—five more than a majority—on the fourth ballot.

United States Senator Robert M. LaFollette was second, and Senator Burton K. Wheeler, Montana, third. The convention, which started with 1100 students, showed little excitement over the adoption of a platform recommending a no-bonus policy, rigid enforcement of the 18th amendment, entry of the United States into a league of nations and passage of the McNary-Haugen farm relief bill.

U. S. PROTESTS FRANCE'S OLYMPIC RULINGS

By HENRY L. FARRELL
United Press Sports Editor

New York, May 23.—One of the primary purposes back of the revival of the Olympic games was to foster a better feeling among the nations of the world and to promote sportsmanship among all classes and races.

Over a long stretch of years this principle has been followed closely, with the result that better feeling has prevailed in the last few years among the athletic nations of the world than at any previous time in history.

The trend of the times toward commercialism has been regarded as a menace to all amateur sports by students who have watched the purse replace the olive wreath as the most coveted token of victory. There has also arisen the danger to that sportsmanship, which the amateur idea seeks to promote, by the development of the spirit that victory is the most important thing and that the means of victory have no restraint.

Use of the Olympic games for personal exploitation, for personal profit, and for personal propaganda was thought to be sure to come as a result of the tendency of the times and from the actions of the French Olympic Committee, it has arrived.

American newspaper publishers have protested to the French committee and the American Olympic committee against the sale of all picture rights to a French concern. By granting a monopoly on the picture rights, the French committee brought about a condition whereby the American press will have to buy all the pictures from the French concern. As far as dollars and cents are concerned, no protest is warranted. The market price of the pictures would be less than the expense entailed in sending a staff photographer to Paris for the games and the majority of the publishers would prefer to buy their pictures from one of the American film services.

There are grounds for protest, however, for the technical reason that the best of French photographers could not have the eye for pictures that are wanted by American publishers. The art of photography and the news sense in taking pictures is just as local as the writing of a news story. If the French committee sold the news story rights for the games the same theory would be involved as in the sale of the picture rights. American newspapers would not find the copy of a French writer suited to their peculiar style any more than the copy of an American newspaperman would be suitable for a European journal.

Under the conditions that exist now, American picture concerns that want to send their own photographers to the Olympic games are being held up for exorbitant sums by the concern holding the monopoly.

KITCHEN
BOUQUET**

Made from fresh vegetables. Gives rich flavor, color and taste to all home cooking.

Onion Soup

1 tablespoon Kitchen Bouquet; 5 large onions; 1 tablespoon finely minced carrot; 3 tablespoons butter; 5 tablespoons flour; 3 1/2 pints boiling water; salt and pepper to taste; 3 bouillon cubes; 1/4 cup thin cream. Peel and parboil onions for 3 minutes, drain and chop fine, place in saucepan with carrot and butter and simmer 5 minutes. Add flour, stir and add boiling water, salt and pepper and cook slowly a half hour. Strain, add bouillon cubes and stir until dissolved. Add Kitchen Bouquet and cream. Place several pieces toast in tureen, pour over soup and serve at once.

Mock Terrapin Soup

Boil 1 1/2 pounds of calf's liver in salt water for half an hour; add small herbs; 6 grains of pepper; one teaspoonful cloves; a few slices of onion, carrot, etc. When the vegetables are done, take them out and mash by putting them through a colander. Make a Spanish sauce by frying bacon; put into the fat a little slice of onion, 6 peppers, two sprigs celery, one-half cup tomato and cook brown. Make a paste of one teaspoonful of salad oil, a yolk of hard boiled egg, dust of cayenne pepper, make into small balls; put these into Spanish sauce, then put the sauce into the soup. When they come to the top, skim them out. Add 1 teaspoonful Kitchen Bouquet. Put in the tureen a slice of lemon, and pour in the soup, then cut the calf's liver into small bits and add it.

Savory Chowder

1 teaspoonful Kitchen Bouquet; 1 qt. diced raw potatoes; 1/2 lb. chopped beef; 4 tablespoons butter; 1 cupful corn; 1 medium-sized onion, chopped fine; a small piece of red pepper; 1 1/2 cupfuls hot milk; 2 cupfuls hot water. Put butter, onion, meat and some of the potatoes in the saucepan and fry golden brown, then add hot water and the rest of the potatoes and pepper. Stew slowly till done, about 1 hour. If one uses green corn, score down the rows of kernels and scrape out the inside. Cook this in a little water separately, being careful not to scorch it. When the other mixture is done, add the hot milk, corn, Kitchen Bouquet and salt to taste. Let boil up once and serve hot with crackers.

Red Crown

The High-Grade Gasoline

Performs All the Time

With Red Crown in your tank your motor is under your right foot—to do your bidding.

Your car will leap at your instant desire—it will settle down and pull through anything that any car will go through—it will purr along over the highways without effort—it will idle to a mile or two an hour—you sense a flexibility that gives you a feeling of confidence to meet any emergency.

—All of which is motor satisfaction—and you cannot measure that in dollars and cents.

Use Red Crown regularly and you will be free from carburetor troubles—your engine will develop tremendous speed and sustained power in fair weather or foul.

You can get Red Crown everywhere and its uniformity is guaranteed—no matter where you get it.
